

Data Users Guides

1. Use this form to order only the items listed below. Appropriate users guides are included free with any order of US GeoData products.

2. The data users guides (product code PI09) describe digital data structure and attributes, format options, and source information and provide instructions on data manipulation. Appendixes include sample data records.

3. The data user guides are available through the World Wide Web at

<URL: <http://mapping.usgs.gov/www/html/2nmpgds.html>>.

4. Payment (check, money order, VISA or MasterCard information, or Government account) must accompany order. Make all drafts payable to Dept. of the Interior—USGS.

Customers outside the United States please send an international money order or check drawn on a U.S. bank in U.S. dollars. VISA or MasterCard may also be used.

5. To order by mail, return this form and payment to:
